As a part of a longstanding tradition at Saint Bernard's Central Catholic High School, we recognize individuals who have proven themselves to be dedicated members of the Saint Bernard's community. This year, we honor two members who have given their time, energy, and talent to our school because they clearly hold a special place in their hearts for St. Bernard's. This year, we choose to acknowledge Mrs. Maryann Raymond and Mrs. Karen Pelletier, who have both made important contributions that have helped St. Bernard's to uphold a standard of excellence.

Mrs. Maryann Raymond

Mrs. Maryann Raymond has taught at St. Bernard's for 26 years in both the Religion and Art departments. She has helped students grow in their spiritual lives by educating them in the Catholic faith. Her classes inspire students to develop their relationship with Christ. She also encourages her students to develop a love for art by educating them in a variety of technical skills, and then pushing them to transcend creative boundaries. She designs and paints the sets for Drama Club and recently completed the establishment of a

permanent gallery of student art. Mrs. Raymond also serves as advisor for other student programs such as Art Club, Ski Club, music lessons, and advisor to our class, the Class of 2014. She always has a positive attitude, and truly cares about her students. She takes the time to learn where her seniors are going to college or how their graduated siblings and family members are doing. Mrs. Raymond truly embodies what it means to be a member of the St. Bernard's community.

Mrs. Karen Pelletier

Mrs. Karen Pelletier has been an important member of our school for many years. She herself graduated from Saint Bernard's. Two of her daughters have graduated from our school, and now Rachel Pelletier is graduating this year. Mrs. Pelletier is the President of the Bernardian Foundation, a nonprofit organization dedicated to providing funding for scholarships and capital improvements. She also serves as a member of our school's Parent Organization, which is also a crucial source of support that has helped St. Bernard's to advance its mission as a Catholic school. Mrs. Pelletier is clearly committed to our school. She is a great presence at St. Bernard's,

and can often be seen in the school hallways or in the snack booth at the Activity Center. She has directed all of the renovations recently completed this year, most notably in the lobby at the Activity Center along with the fresh coat of paint on the walls of the Media Center and in the majority of the classrooms. Mrs. Pelletier has faith in our school, and all that she has done for St. Bernard's reminds us of what can be accomplished when faith is demonstrated through good works.

Mrs. Raymond and Mrs. Pelletier work very hard for our school every day while also recognizing St. Bernard's history. Each year, they work together on St. Bernard's Hall of Fame. The Hall of Fame recognizes distinguished Bernardians who have made major contributions to the school over the years; their longterm dedication to our school is an important feature of its ongoing success. Mrs. Pelletier and Mrs. Raymond have successfully helped to promote the Hall of Fame by creating presentations and events to recognize individuals who, although they walked the halls of our school many years ago, continue to play an important role in our community today. We are grateful to Mrs. Pelletier and Mrs. Raymond for their devotion to St. Bernard's Central Catholic High School. The Class of 2014 is especially honored to recognize these amazing women with this Yearbook Dedication.

Congratulations Class of 2014!

STB Class of 2014,

You entered St. Bernard's as individuals, eager and full of potential. The theme of your class has been, "You are the Light of the World." As individuals you all shine, but together you are a community of light. We have been amazed to see your growth. Your epic journey at St. Bernard's was just the start. We are confident that your unique gifts and talents will allow you to enlighten the world. It has truly been a pleasure to be your advisors.

Let your light continue to shine for all the world to see.

Proudly, Mrs. Raymond and Mr. Spiegel

I can't believe how fast these four years have gone. You have impressed me so much, from the little freshman to the grown senior getting ready to head to college. You have had your ups and downs but you handled them like an adult and I am so proud of you. I am so proud of the person you are today and I am so happy and blessed to call you not only my sister but my best friend. Good luck wherever you go in life! I know you will do great in whatever path you take. Congrats on graduating and I love you so much., Katie

Jillie-bud, Congratulations!!!! You have went from a beautiful little girl to one beautiful amazing young lady. Words cannot describe how very proud of you we are. You have brought so much love and happiness to our lives these past 18 years. You have accomplished so much and have such a bright future ahead of you. Good luck in college. You are going to be one great teacher - the children are going to be so lucky to have someone like you. Love you tons and tons, Mom & Dad

Congratulations, Justin.
The resilience you demonstrated to overcome obstacles and to always endeavor to be the man you expect of yourself makes us immensely proud of you on your graduation. Be proud of your success.

Love, Mom, Dad and Matthew

Francesca and Sophia,

What a journey you have sent us on...from the birth of two beautiful twin girls to the graduation of two beautiful young women! And now you are ready to begin your own journeys, ones that will take you to different schools, with different classes and different friends. But we know that your special bond will become even more special as you each discover all the excitement that college life has to offer while knowing you will always have your best friend whenever you need her. Just remember that we are always with you and can't wait for the next journey you send us on as we watch the next chapters in your lives unfold. We love you and couldn't be more proud!

Dearest Emily & Olivia,
 You have blessed us beyond measure.
 You've doubled the joy & doubled the fun
 & doubled the drama, a time or two. No
 one can say, "It's been a boring ride!"
 We're all so proud of you & your
 accomplishments. You are fine young ladies
 with kind, compassionate hearts and we
 know you're ready to take on your next set
 of challenges with grace & determination.
 We love you both! Mom, Steve, P & P <3

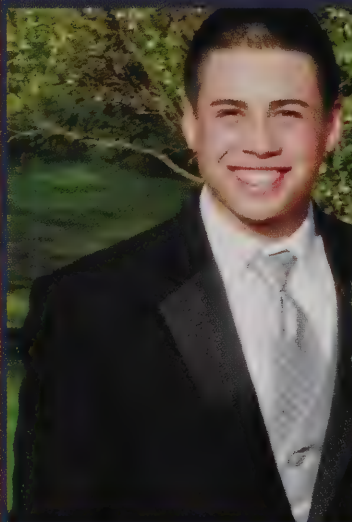

Alec, we are so proud of you. We have enjoyed watching you grow into a fine young man. You have brought great joy to our hearts and many moments to be proud of. Continue your journey with pride and remember to

"Reach high, for stars lie hidden in your soul. Dream deep, for every dream precedes the goal."

- Pamela Vaull Star

We love you. May all your dreams come true!

Love,
Mom, Dad and Drew

Eric,
You have grown to be a fine young man. You have always been a very kind-hearted and considerate person, one who genuinely cares about other people. Always keep these special qualities for they set you apart from others. We are so proud of you and know that you will do well in college. Congratulations, Eric!

We love you very much.

All our love,
Mom, Dad, and Brittany

Gabriella,

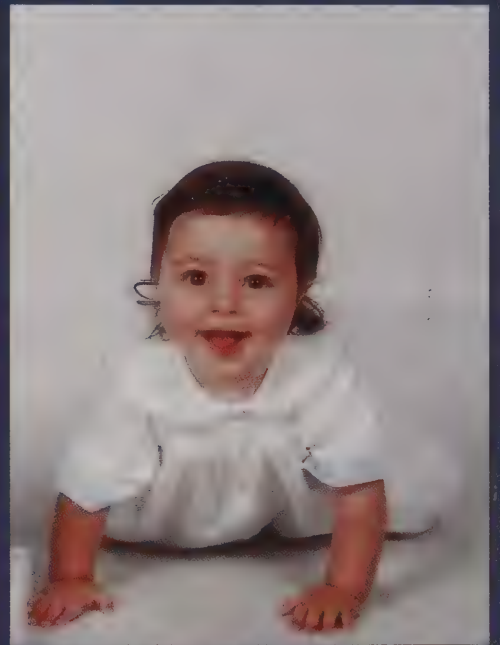

It seems like yesterday you were just starting kindergarten! You have grown up to be such a beautiful person inside and out. You're smart, beautiful, funny, loving, kind and caring. We want you to know how very proud of you we are and the person you've become, especially for your faith in God. We know you will make all your dreams come true!

All our Love,

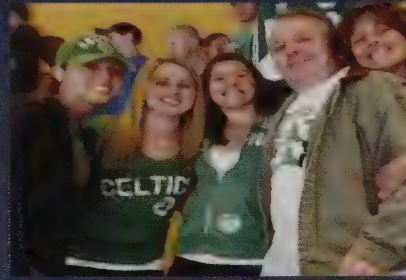

Dad Mom, Ryan and Carolyn

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith, and in purity. 1 Timothy 4:12

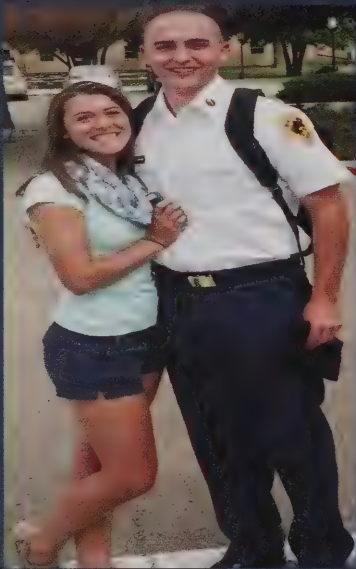

"Don't wait until you've reached your goal to be proud of yourself. Be proud of every step you take toward reaching that goal."

We're so proud of you! Can't wait to see the wonderful things you achieve in life!

Very Proud of you Rach!!!

Living Life

Life is not a race – but indeed a journey.

Be honest. Be choosy. Say "thank you", " I love you", and "great job" to someone each day.

Go to church, take time for prayer. The Lord giveth and the Lord taketh.

Let your handshake mean more than pen and paper. Love your life and what you've been given, it is not accidental – search for your purpose and do it as best you can. Dreaming does matter. It allows you to become that which you aspire to be. Laugh often. Appreciate the little things in life and enjoy them. Some of the best things really are free. Do not worry, less wrinkles are more becoming. Forgive, it frees the soul. Take time for yourself – plan for longevity. Recognize the special people you've been blessed to know. Live for today, and enjoy the moment.

- Bonnie Mohr

Love,

Liam,

We are so proud of you and what you have accomplished,
and are looking forward to the success that your future brings.
We love you most in the world, Mom, Dad and Taylor
